Oil Boom

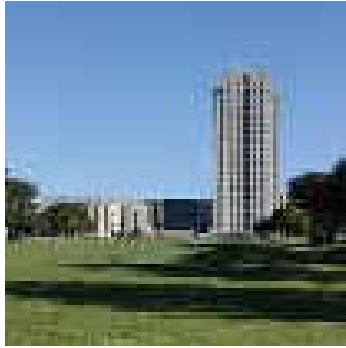

Flooding

# North Dakota

## North Dakota's CSHCN Program Overview: Children's Special Health Services (CSHS)

- ⌘ CSHS is a division in the Special Populations Section of the North Dakota Department of Health
- ⌘ CSHS is the designated Title V CSHCN program for the MCH Block Grant

## Children's Special Health Services Mission: Improve Children's Health

- ⌘ CSHS provides services for children with special health care needs and their families
- ⌘ CSHS promotes family-centered, community-based, coordinated services and systems of health care

## CSHS Programs

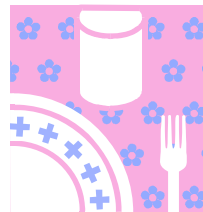

- ⌘ Specialty Care Diagnostic & Treatment Program
- ⌘ Multidisciplinary Clinics
- ⌘ Metabolic Food
- ⌘ Russell-Silver Syndrome Program
- ⌘ Care Coordination
- ⌘ Information Resource Center
- ⌘ State Systems Development Initiative
- ⌘ CSHCN Service System

## Successful Care Strategies for Metabolic Disorders in ND

- ⌘ Strategies to promote family-centered, coordinated care:
  - ⊞ CSHS Family Advisory Council
  - ⊞ Metabolic Disorders Clinics
    - ⊞ Multidisciplinary clinic network
    - ⊞ Contract management (QA/QI strategies)
    - ⊞ Clinic coordinator meeting
  - ⊞ Metabolic Food Program
    - ⊞ State level care coordination
    - ⊞ Partnering to promote coverage

## Challenges with Long Term Follow-up in ND

- ⌘ Legislation attempts and policy development
- ⌘ Follow-up responsibilities over the lifespan
- ⌘ Determining when the system is serving children well

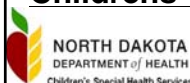

## Children's Special Health Services (CSHS)

**CSHS State Toll-Free Number:** 1-800-755-2714

**CSHS E-Mail:** dohcshsadm@nd.gov
