

Data Submission Sheet
Outcome Measure D1
Regional Genetics and Newborn Screening Service Collaboratives (RCs)

Evaluation Domain:

Implementation of expanded NBS.

Outcome Measure:

Increase in the percentage of states/territories in the region that have evaluated and made recommendations on implementing the ACHDGDNC recommended NBS panel.

Definitions:

In order to be counted, states/territories can have evaluated and made recommendations **and/or** have actually implemented the panel.

Reporting Period:

December 1, 2007 to November 30, 2008; **however, baseline data are to be reported for December 1, 2007**

Data Due:

Baseline data: December 31, 2007

December 31, 2008

Date of Data Submission: **1-11-08**

Region : **Heartland (Region 5)**

Name, Title, and Contact Information for Individual Submitting Data:

Lori Williamson 405-271-8001 x42180
lori-williamson@ouhsc.edu

Total Number of States/Territories in the Region: **8 (AR, IA, KS, MO, NE, ND, OK, SD)**

Number of states/territories in the region that have evaluated and made recommendations on implementing the ACHDGDNC recommended NBS panel:

All 8

Of the above, list the states/territories in the region that have actually implemented the ACHDGDNC recommended NBS panel:

Fully Implemented: Iowa
Partial or Planned Incremental Implementation: OK, MO (will add biotinidase when FDA kit is available), SD and ND offer hearing screening but it is not mandated, NE offers the full screen but it is not mandated

Planned Full Implementation for July 2008: KS, AR, and NE (will be mandated)

Data Source:

State NBS Program coordinators and/or laboratorians, NNSGRC
