1	Excellent meeting	Aug 30, 2011 4:02 PM
2	The meeting room is too cold.	Aug 30, 2011 4:01 PM
3	Agree with Brad re: future meeting locations, but...I do think each state hosting has been a good idea and useful for the states. Cathy Breedon was excellent.	Aug 30, 2011 3:59 PM
4	How wonderful Barb Schweitzer met and greeted people at the airport and transported to the hotel! Meals and snacks were great. Cathy Breedon was great! I learned so much from her. Enoyed the powerpooint presentation about Sanford Hearing Clinic and the picutres of the facility.	Aug 30, 2011 3:58 PM
5	Dr Breedon was an excellent speaker! Would love to hear her speak again.	Aug 30, 2011 3:56 PM

6	I would like future sessions on serving special populations. There seemed to be much interest in this topic. I would like more sessions on genetics throughout the life course. This conference seemed heavily focused on pediatrics and newborns. Perhaps next year one day could focus on peds/newborns and the second day on more adult genetic issues.	Aug 30, 2011 3:55 PM
7	I would like either more information or more time for team planning/brainstorming.	Aug 30, 2011 3:53 PM
8	I would like to see more collaboration with Early Hearing Detection and Intervention Programs.	Aug 30, 2011 3:31 PM
9	Great conference, great topics, great speakers, great planning. Excellent. Would have been nice to have copies of slides in packet. Great job Barb and Planning Committee.	Aug 30, 2011 3:30 PM
10	Enjoyed Aunt Cathy	Aug 30, 2011 3:28 PM
11	Excellent job by Heartland staff.	Aug 30, 2011 3:28 PM
12	I would like to see more lab issues, not just follow-up. One of the best informative speakers was Dr Breedon. She had a very good way of delivering the information. Overall I really enjoyed the workshop and learned a few new things. Workshop was managed very well by Ms Whitehead and Williamson. Thank you to all responsible parties.	Aug 30, 2011 3:24 PM
13	Cathy Breedon was a great choice for Friday's speaker after lunch. Dr McDonough seem like he would have wonderful stories he didn't share in the time allowed.	Aug 30, 2011 3:21 PM
14	I think you should have a parent advocate present at next years conference.	Aug 30, 2011 3:20 PM
15	Some presentations (eg: one on FAS) didn't seem directly relevant. Staff very nice--food not good for vegetarian like me. Most presentations were terrific. Really liked the strategic planning exercise.	Aug 30, 2011 3:19 PM
16	Wiessman's presentations was too long.	Aug 30, 2011 3:16 PM
17	It would be nice to have access to the speakers powerpoint presentations online, prior to sessions. Would it be possible to have "job alike" sessions? This would be a time fro people with like positions (from other states) to meet and network during the conference? End of time spent on strategic planning seem rushed. Cathy Breedon-excellent.	Aug 30, 2011 3:14 PM
18	Well orgnaized. Very enjoyable! Great networking!! Most meetings skimp on food--you did not.	Aug 30, 2011 3:11 PM
19	Awesome meeting! Thank you for having us. Wonderful hospitality.	Aug 30, 2011 3:08 PM
20	A little heavily weighted toward national public health. Enjoyed the more clinical and service related talks.	Aug 30, 2011 3:07 PM
