1	Directions to the hotel were inadequate. RC staff as always were very good once I got to the conference. It seems like the conference was brief and a bit rushed. Dr Ferkol was excellent. I would not use this facility again (a beautiful location, but very cold.) The hotel staff were friendly and helpful to their credit.	Oct 8, 2012 1:18 PM
2	At times when the hotel staff were setting up snacks for breaks there would be a lot of noise. This also occurred when one of the vendors set up as well. Great conference Thanks.	Oct 8, 2012 1:15 PM
3	Friday's hotel staff was very inrruptive in setting up and clearing food from breaks. Nice mix of speakers across various topics. Really enjoyed Dr Ferkols talk!	Oct 8, 2012 1:13 PM
4	Conference Topic: Genomic (next generation sequence, whole genome...) and how it will change genetics/medicine, ethical consideration of NGS.	Oct 8, 2012 1:12 PM
5	Billing of rooms. Would like to see more lab issues presented although the other topics like follow-up issues are interesting to see what the end results are. Would like to see more vendors. Break set-up a little noisy and distracting which takes away from presenter. Great meeting.	Oct 8, 2012 1:09 PM
6	The conference and topics presented were relevant. There was a alot of other things going on during presentations (talking, typing, people on phones) which was distracting at times.	Oct 8, 2012 1:07 PM
7	Good speakers and topics; all very timely.	Oct 8, 2012 1:05 PM
8	Location was good; nice to have shopping and dining options on site; internet connections were often poor. Appreciate having travel info as soon as possible in order to recieve sate approval to attend. Helpful to have info on new trends (LSD screening) and legal issues. Thank you to all who made this meeting possible!	Oct 8, 2012 1:04 PM
9	Great speakers. I think has has been one of the bese conferences I have attended at Heartland.	Oct 8, 2012 1:04 PM
10	Move the NBS work group meeting to the 1st daty since late afternoon on day 2 interferes with flight and transportation to the airport. CF presenter wws great--knowledgable and ethusiastic. Need microphones for people in the audience who ask questions. Set up snacks in the hall instead of the meeting room--hotel staff made quite a bit of noise setting up.	Oct 8, 2012 1:01 PM
11	Great agenda this year. Marriott was okay. Better signage might help. Hotel staf setting up breaks during presentaions was unacceptable.	Oct 8, 2012 12:59 PM
12	The direct bill issue was unnecessarily stressful.	Oct 8, 2012 12:57 PM
13	Good job with everythig (snacks, arrangements and food). Thanks for staying on track with time.	Oct 8, 2012 12:57 PM
14	I thourghly enjoyed this conference. The presentaions were informative and well planned. The location was excellent. Thank you!!	Oct 8, 2012 12:56 PM

18	Hotel--Not so much, but you paid so I can't complain. Need more time for an ethical discussion.	Oct 8, 2012 12:50 PM
